Calvin Christian School provides academic *and* religious education. It is our expectation that at least one parent is a practicing Christian and is an active member of a body of Christian believers. We require a letter of reference, translated into English, from a pastor or an elder (or equivalent) from the family church (form ISP 005). The parent(s) are expected to be able to articulate a statement of Christian faith in an interview setting, with or without the assistance of a translator. The prospective student must also articulate a statement of faith and signify agreement with the school's code of conduct.
