Student Activity Fundraiser Update

Our Student Activity Fund helps cover the cost of field trips and special activities that take place throughout the school year, allowing all students to participate in these enriching experiences.

In previous years, this fund was supported through our annual Chocolate Almond Fundraiser. This coming school year, we will not be holding the fundraiser. Instead, we ask each family to pay a **\$35 Student Activity Fund fee per student** to help cover these costs.

We are grateful for the wonderful support our families have shown through the fundraiser in past years and sincerely appreciate your continued partnership in making these opportunities possible for our students.
